Applicant Signature: _____

Date: _____

Details on Scholarships Offered & Submission Requirements

Tuition Scholarship

- This scholarship is to be utilized for tuition, books, or fees associated with undergraduate or graduate school attendance.
- The value of the scholarship is *up to* \$1000.
- Undergraduate and graduate students are eligible to apply for this scholarship.
- Suggested timeframe: 8 weeks prior to the start of the term
- Students should submit the following:
 1. CV
 2. One professional or academic recommendation letter
 3. Most Recent Transcript
 4. Essay of approximately 600 words about your future career goals related to Hydrography.

Internship / Research

- This scholarship is to be utilized by the student to participate in an internship/fellowship.
- The value of the scholarship is *up to* \$2000.
- Undergraduate and graduate students are eligible to apply for this scholarship.
- Suggested timeframe: 8 weeks prior to the anticipated start of the internship.
- Students should submit the following:
 1. CV
 2. One professional or academic recommendation letter
 3. Transcript
 4. Essay of approximately 600 words demonstrating how the internship will assist the student in pursuing a career in a field related to Hydrography.
 5. Budget showing the direct costs related to the internship and documentation justifying the costs (e.g. flight receipt, room & board costs, etc).

Certification / Training

- This scholarship is to be used by the student to receive a professional certification or attend a professional training (e.g., BOSIET, Captain's License, micro-credentials etc.).
- The value of the scholarship is *up to* \$1000.
- Undergraduate and graduate students are eligible to apply for this scholarship.
- Suggested timeframe: 8 weeks prior to the start of the course or training.
- Students should submit the following:
 1. CV
 2. One professional or academic recommendation letter
 3. Transcript
 4. Essay approximately 600 words justifying the need for the professional certification and demonstrating how the certification will assist the student in pursuing a career in a field related to Hydrography.

5. Budget showing the direct costs related to attending the certification / training and documentation justifying the costs (e.g. flight receipt, room & board costs, etc).

Conference Attendance

- This scholarship is to be used by the student to attend a conference.
- The value of the scholarship is *up to* \$2000.
- This scholarship is available to students for expenses related to attending a conference (e.g., registration, travel and meals).
- The conference must be closely related to Hydrography.
- High school, undergraduate and graduate students are eligible to apply for this scholarship.
- Suggested timeframe: 8 weeks prior to the conference.
- Students should submit the following:
 1. CV
 2. One professional or academic recommendation letter
 3. Transcript
 4. Essay approximately 600 words demonstrating how attendance to the conference will assist the student in pursuing a career in a field related to Hydrography.
 5. Background information about the conference (e.g., name, location, professional body hosting the conference etc.) if not included in THSOA scholarship offering.
 6. Budget showing the direct costs related to attending the conference and documentation justifying the costs (e.g. student registration receipt, travel costs, etc).

Guidelines

- Undergraduate students must be enrolled for at least 12 credit hours and graduate students must be enrolled for at least 6 credit hours.
- The applicant must be a citizen/permanent resident of The United States of America or possess a valid U.S. student visa.
- Applications will be reviewed by THSOA Student Outreach and Scholarship Committee.
- Students are not eligible for a national and a regional THSOA scholarship (e.g., THSOA Southeast Chapter) in the same academic year.

Application Submission

- Please submit the scholarship application and all accompanying documents by electronic mail to scholarships@thsoa.org. Include your surname and the scholarship type in the subject line of the electronic mail (e.g., Browne_Internship).
- Inquiries can be submitted to scholarships@thsoa.org
